

# Superheros

SuperHero	Picture	Trivia
Oceanworld	 A circular illustration of Aquaman, the DC superhero, in his golden and green suit, swimming underwater with his arms outstretched. The background shows a blue sea with several fish.	Better than Seaman
Dr. Manhattan	 A photograph of three versions of Dr. Manhattan, the DC superhero, appearing as blue, glowing, muscular figures. They are set against a dark blue background.	Needs a loincloth

(There should be a cool background, but I don't know how to do backgrounds in pdf.)
